

From Peggy L. Fischer, Assistant Inspector General for Investigations, NSF, email received 01/28/2011.

Sir, thank you for providing the information to the Office of Inspector General at the National Science Foundation. Because your concerns are related to the activities of NIST they are most appropriately sent to the Department of Commerce Office of Inspector General. NSF OIG's jurisdiction is limited to NSF programs and operations and, as such, we are not able to pursue the requests in your letter.

Regards,

Peggy Fischer
